TECHNICAL DATA SHEET TYRE SHINE

Ref. : 7400

1. GENERAL DESCRIPTION

Quick action dry foam cleaner. One step tyre care. Just spray on to clean and protect tyres. Based on a polymer emulsion formulated to give an active foam when sprayed on tyre walls. Super Help tyre shine removes tyre stains and scuff marks, making tyres look like new again.

2. FEATURES

- Penetrates and cleans the rubber tyre wall.
- Dries to a clear glossy film.
- Makes rubber flexible.
- Protects against discoloration and oxidation.
- Works by simply spraying the tyre, without wiping or washing.
- Leaves an inert film that repels dirt.
- No influence on drive and brake behaviour when applied properly.
- Overspray will not affect paint or wheel surfaces; it simply wipes off.
- Aerosols use butan-propane propellant to maintain high pressure to the very last fluid in the can.

3. APPLICATIONS

Tyre cleaning and shining for:

- Cars
- Trucks
- Busses
- Tractors
- Go-carts

4. DIRECTIONS

- Wash off excessive deposits of mud and dirt.
- Shake well before using.
- Spray generously and evenly over the tyre from approx. 30 cm. Avoid overspraying of brake parts and floors.
- Wipe off overspray on painted or aluminum surfaces.
- Allow to dry thoroughly

6. PACKAGING

aerosol : 24 x 400 ml
