TECHNICAL DATA SHEET MOTOR CLEANER

Ref. : 8400

1. GENERAL DESCRIPTION

Extra powerful engine surface cleaner/degreaser.

A blend of powerful solvents and emulsifiers, combined to quickly remove tar, grease and oil from all engines. A clean engine runs cooler and more efficiently. Easy to use just spray it on and rinse off for collection and proper disposal.

2. FEATURES

- Cleans and degreases all engines.
- Emulsifiers enable the product to be easily washed away with water. If necessary, collect the water mix for disposal according local regulations.
- Easy to use with the aerosol sprayer head.
- The fast acting formulation saves time.
- Leaves no objectionable odor in the engine compartment.
- Free of caustic materials.
- Aerosols use butan-propane propellant to maintain high pressure to the very last fluid in the can.

3. APPLICATIONS

- Car and truck engines
- Boats (in- and out-board)
- Lawn mowers
- Farm machinery
- Chain saws
- Construction and shop equipment.

4. DIRECTIONS

- Do not use on running engine.
- Let the motor cool down for 30 minutes before use.
- For best results, apply to dry, warm surfaces (do not apply on hot parts).
- Protect ignition system (distributor, air intake,) against water.
- Spray on surfaces to be cleaned and allow working for 10-15 minutes.
- Hose off using a strong water jet, preferably a pressure cleaner. Wire brush or scrape off heavy grease deposits.
- Use Super Help Tech 5 to displace moisture if the motor is difficult to start.

6. PACKAGING

aerosol : 12 x 400 ml

Bar code Nr. 8028687084009

8 028687 084009

Date : 31-08-2010
