TECHNICAL DATA SHEET BIKE OIL

Ref. : 41150

1. GENERAL DESCRIPTION

Multi-purpose spray for bicycles which penetrates through corrosion and rust, displacing water. Super Help Bike Oil is based on a vaseline oil that prevents rust and corrosion by forming a continuous protection barrier against water and oxygen.

2. FEATURES

- Penetrates rapidly, reaching even the finest pores and cracks.
- Lubricates and restores.
- Displaces moisture, especially after cleaning parts with water.
- Stops annoying squeaks.
- Leaves a thin film that protects metals from corrosion induced by humidity and other corrosive atmospheres.
- Easy repair, no need for disassembly.
- Compatible with O-ring chains.
- Safe for all metals and alloys.
- Safe on painted surfaces, coatings, plastics and rubbers.
- Testing is advised in case of doubt on painted surfaces, plastics and rubbers.
- Aerosols are equipped with an extension tube for added convenience.
- Aerosols use butan-propane propellant to maintain high pressure to the very last fluid in the can.

3. APPLICATIONS

- Super Help Bike Oil is a modern and versatile helper for bicycle users.
- Best used on chains, cogwheels, sprockets, pedals, axes, wires.
- It is equipped with a special straw to reach even inaccessible parts for a better maintainance.
- Winter-storage of bicycles and parts.

4. DIRECTIONS

- Apply the product generously and allow penetrating.
- For hard to reach areas, use extension tube.
- Use with adequate ventilation. Do not use on energized equipment.
- Repeat regularly to ensure perfect maintenance at all times.
- Before each application, clean parts to be treated.

6. PACKAGING

aerosol : 12 x 150 ml

Bar code Nr. 8028687411508

Date : 31-07-2016
